9:50 AM – 11:30 AM PDT

Wellness & Inclusivity in the Workplace

Wellness and inclusivity play critical roles in creating a thriving workplace, fostering a culture where employees feel valued, supported, and included, regardless of their background or identity. In order for companies to move the needle, they must create a holistic wellness program that address physical, mental, and emotional health, and support the implementation of inclusive practices that ensure diverse voices are heard and respected.

- Michael Schur, Gensler
- TBD, End User

11:30 AM – 12:30 PM

Power of Place – Leesman

The Leesman Index is built from employee responses to a standardized employee experience questionnaire that consistently follows an established format. Leesman data serves as the world’s largest benchmark of employee workplace experience and supports organizations large and small with employee feedback and insights to power data-driven strategies. Learn more about their most recent findings around the power of place.

- Kyle de Bruin, Managing Director, Leesman

12:30 PM – 1:30 PM

Lunch

1:30PM - 2:30 PM PDT

Roundtable Discussion: New Hybrid Models and their Impact on Determining Space Requirements

An engaging discussion on determining space needs amidst an unpredictable, dynamic market, while factoring for typical variables such as employee experience, talent attraction, productivity, collaboration, commutes, financial constraints, and more.

- Facilitator: Mike Huaco, Synopsys
- Panelist(s), TBD

2:45PM - 4:00 PM PDT

Happy Hour (location TBD; likely Lumin Café or nearby) – Socialize with council members and guests.
